III. Work in Process

CEAL Stats application is currently being migrated from a Windows server to a cPanel Server and MySQL database because the host library will stop supporting Windows servers in the near future. Hope the transition will work smoothly.

IV. Committee Membership

Committee member, Calvin Hsu, resigned from the committee effective 03/21/2014 due to personal reasons. The Committee is planning to recruit a new member to replace Calvin.

In late February, 2015, Vickie Doll was reappointed to serve as Chair of the Statistics Committee from 03/2015-03/2018. Wen-ling Liu remains as member of the Committee.
